discover the nature of life

**Dear {Customer},**

First and foremost, we would like to thank you for considering the Forest Preserves of Winnebago County golf courses as a potential host site for your upcoming golf event.

Experience has taught us that not all golf events are the same. We recognize that not everyone is interested in hosting a large shotgun event. However, that doesn't mean we won't treat it like one! Our Consecutive Start option is perfect for smaller groups

Whether this is your first event or your 100<sup>th</sup>, we can be as involved or uninvolved as you wish. Below is a list of a number of the services that we offer to each of our event organizers. These services are included in your per/golfer charge and can be custom tailored to meet the specific needs of your event.

|   |   |
|---|---|
| Custom Printed Cart Signs (w/ your logo)  | Custom Printed Scorecards (w/your logo) |
| Custom Printed Scoreboards                | Event Scoring                           |
| Placement & Collection of on-course games | Event Summary Results Sheet             |

In addition to the services listed above, we also offer our customers a unique way to encourage participation in their event. The "event replay voucher" is valid for one green fee and can be purchased at 50% off the normal rate! Just imagine the impact you could make if on the day of your event you were able to hand each of your participants a FREE round of golf as a sign of appreciation for supporting your cause. That is like giving your participants two rounds of golf for participating in your event. One round being your event and another to be used later at their convenience (carts not included).

I would again like to thank you for considering the Forest Preserves of Winnebago County and we hope to see you on the course soon! For your convenience, I have enclosed an Event Registration Form which includes our event fees for your review. Should you have any questions, please feel free to contact myself and/or Kristy Knapp and we will be happy to assist!

Sincerely,

**Rich Rosenstiel**
